About Babity Boo...

Babity Boo is an independent, Perthshire based art and gifts business, run by me, **Corinne Maclaine**.

I started Babity Boo in 2017, shortly after the birth of our first child, Holly, when I began painting bespoke watercolours for friends and family. Gradually experimenting with illustration, I developed a unique range of gifts, from cosmetic bags, cushions and china mugs to notebooks and greeting cards.

Having grown up in the Hebridean Island of Lewis and currently living in Perthshire Scotland, you'll see the inspiration these locations provide in my designs, from coastal birds to woodland foxes and badgers.

All products feature designs that originate from my hand drawn illustrations and are printed and / or made in the U.K. Each item has been lovingly designed with the hope that it will bring joy to the recipient!

Babity Boo has a range of products to suit coastal and inland shops, from my lighthouse and seabird range to my bee and fox products.

If you have any questions, I'd love to hear from you, please get in contact with me at corinne@babityboo.com or phone me on **+44(0)7891972693**
